

MAHENDRA NATH GHOSH EDUCATIONAL AND WELFARE TRUST

MNG ACADEMY

Creating Futures Changing Lives !

www.mngacademy.in

Mahendra Nath Ghosh Educational and Welfare Trust was established in March of 2018 as a non-profit charitable organization. It was promoted with a mission to organize quality education and training in West Bengal and some other states. It emphasizes the need of creating a skilled workforce and entrepreneurs relevant to current and emerging business opportunities. Over a span of four years, the trust has taken up several initiatives with a view to achieving its mission.

Board of Trustees

All five trustee members of the trust have management experience and strong educational background. Trustee members are helping the management team with overall control and strategic direction. They regularly review strategies and policies and receive reports and updates from senior management.

Our Mission

Our mission is to DELIVER RIGHT SKILLS & KNOWLEDGE that significantly increase the skills of the trainees and make them industry ready.

Our Vision

Our Vision is to INFORM, EDUCATE & INSPIRE people to reach their professional goals.

Management Team

The team is headed by the Founder Trustee along with the Secretary & the President of the Trust supported by our Advisor, Chief Operating Officer, Project Managers, Branch Heads, faculties, and other personnel including senior professionals in the health sector, management, training, and related areas are working in the Trust with passion and dedication.

CSR Activities

Our Trust is engaged with various social developmental activities apart from its core functions in training and skills development. The Trust from time to time undertakes projects and programs of social impact and extends its supports towards social causes beyond its business. Activities includes but not limited to running campaigns and organizing camps to elevate lives of slum dwellers, making common people aware of basic health and hygiene and on COVID awareness. Similarly, on account of making a skilled workforce the Trust has joined hands with big corporate, foundation, like Reliance Foundation. Through its other initiatives, the Trust has also embarked its journey on executing other social projects, such as women empowerment and rural livelihood areas.

Child Rights and Cyber Security Awareness Generation Program was held at Keoratala High School of Kulpi Block by the Trust in collaboration with the block admin on 30th June, 2022 . It was attended by 100+ participants (students) who were mostly from classes IX – XII. Jt. BDO graced the occasion.

New Initiatives

- Skill Development program in East India Regions like, Jharkhand, Bihar, Assam etc.
- Establishing livelihood centre for women empowerment.
- Skill training with some sector skills councils at Golpark and in some districts.
- New project is underway for implementing training under NULM (National Urban Livelihood Mission).
- Some training in Life Science & Other projects with Life Science Sector Skills Development Council (LSSSDC) and Sector Skill Council for Green Jobs.
- Management diploma courses and vocational training with Universities and reputed Institutes at Golpark and other centers.
- Skill and entrepreneurship development training with state and central government agencies.
- Development & Training Projects in collaboration with reputed NGOs, INGOs, Foundations as well as Corporates for their CSR Projects in Kolkata and in the districts of West Bengal and adjoining states.
- Training and Development Projects in Healthcare Sector, Vocational Training, Skill Development, Women Empowerment, Livelihood & related areas with CSR Fund from Industries, Corporates, Foundations & others.

Free food distribution camps - organized by the TRUST

President's Message

The TRUST which was incepted just as a wish of ours has now become one full blown organization where many LIVES are CHANGED over last few years! The TRUST now nurtures clear and focused business divisions as philanthropic ventures. Immensely fulfilling and satisfying tasks are undertaken by the team and perhaps leaving marks in our students mind while helping them shaping up their careers.

Our journey started off from Kolkata and spreads its wings in sub-urban district towns in West Bengal. With a few partnerships on the card, we look forward to become a national brand that keeps on adding values to all its offerings.
